The Sixth Winter Meeting And Annual General Meeting

Will be held at

The Blacksmith Arms

On

Tuesday 16th March 2010 at 7.45pm

Mr. Andrew Cook - "The Importance of Grass"

Mr. Cook is a sales manager from the British Seed Houses and will be discussing grass and its importance to UK agriculture, the benefits of reseeded, the value of quality (D-Value), and the advances in grass breeding at Aberystwyth for animal performance. Mr. Cook will also give us some information on Chicory, its use in grassland and its use as a specialist finishing crop for ruminants.

Coffee will be served after the meeting

Future Meetings

March 23rd - Winter Farm Walk - Mr. C Hughes - Southview Farm, Bury
10.30am (details attached)

**If you would like to come for a meal prior to the meeting
(6.30pm) please let me know by Friday 12th March**
