# ONLINE

## SESSION 1 CLIMATE CHANGE AND AGRICULTURE

- |       |   |   |
|-------|---|---|
| 09.30 | Welcome from the Chair – Introduction and Farming in the Dry  | <b>Guy Smith</b><br>Guy Smith Farms             |
| 09.50 | Climate Change how do we define it and what does it mean for UK Agriculture                             | <b>Simon Jeffery</b><br>Harper Adams University |
| 10.15 | Climate change and extreme weather – perceptions and adaptive responses among farmers and land managers | <b>Rebecca Wheeler</b><br>University of Exeter  |
| 10.45 | Discussion  |   |
| 11.00 | Break   |   |

---

## SESSION 2 CLIMATE CHANGE MITIGATION AT FARM LEVEL

- |       |   |   |
|-------|---|---|
| 11.15 | Low carbon farming – the possibilities and practicalities                             | <b>Becky Wilson</b><br>Duchy College          |
| 11.45 | Reducing the farm carbon footprint with carbon auditing                               | <b>Al Brooks</b><br>Faccombe Estate,<br>Hants |
| 12.05 | Using soil data to plan environmental management on farms: the ASSIST E-Planner tool. | <b>Richard Pyewell</b><br>CEH                 |
| 12.35 | Discussion  |   |
| 12.50 | Lunch   |   |

## SESSION 3 FARMING IN EXTREME WEATHER

- |       |  |  |
|-------|--|--|
| 13.20 | Farming with extreme rain – Flood mitigation work                              | <b>Chris Stoate</b><br>GWCT                        |
| 13.50 | Farming with Natural Flood Management  | <b>Hannah Fawcett</b><br>Yorkshire Dales NPA       |
| 14.10 | Building soil resilience to mitigate extreme weather with regenerative farming | <b>Ian Wilkinson</b><br>Dunkirk Farm<br>Co. Durham |
| 14.30 | Discussion   |  |
| 14.40 | Break  |  |

---

## SESSION 4 SYSTEMS FOR CLIMATE RESILIENCE PROUDLY SPONSORED BY

- |       |   |  |
|-------|---|--|
| 14.50 | Using steel – where it still has an important role in raising soil resilience         | <b>Dick Godwin</b><br>Harper Adams<br>University |
| 15.20 | Why maintaining a flexible approach to crop establishment is critical for my business | <b>Robin Gaymer</b><br>Mentmore Park Farm        |
| 15.40 | Panel discussion and concluding remarks – Chair                                       | <b>Guy Smith</b><br>Guy Smith Farms              |
| 16.00 | Close   |  |
